

Top-of-the-line for real top-of-the-hill fun

With many luxury features and a new turbo-powered engine, this special LE version of the Sidewinder B-TX 153 is a highly impressive machine - just what you need to conquer the back country in style.

A stylish, long-track model, this Sidewinder B-TX features our turbo-powered, fuel-injected 998cc Genesis® 180 engine, delivering awesome power and torque at any altitude. The blend of 2.25"/57mm Camoplast® Powerclaw track, adjustable suspension and high-performance FOX® QS3 shock package delivers incredible comfort and control.

Along with its special 50th Anniversary graphics, the LE offers other luxuries too - like a heated seat, reverse, electric start and hand/thumb warmers.

- ▶ Genesis® 180 4-stroke 998cc 3-cylinder engine
- ▶ Yamaha's unique turbo-power system
- ▶ Striking 50th Anniversary colours and graphics
- ▶ Massive low end torque for control in deep snow
- ▶ Slim and lightweight Mountain chassis
- ▶ J-hook bars with Mountain strap
- ▶ Suspension with FOX® QS3 and QS3 HCR shocks
- ▶ Camoplast® Power Claw track with 2.25"/57mm lugs
- ▶ Super-comfortable heated seat
- ▶ Luxurious heated handgrips & thumb warmers
- ▶ Convenient electric start and push-button reverse
- ▶ Dual digital gauges and new sleek, low windshield

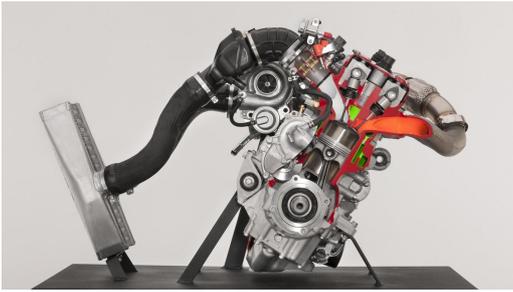

***Whenever, wherever
the snow falls, team
up with your Yamaha.***

Being out on the trails or powder is one of life's great feelings – creating emotional moments to last long in the memory. So enjoy our snowmobiles. Each one is designed and equipped to deliver supreme handling, performance, comfort, economy and reliability.

It's a winning combination you can depend on from your Yamaha – along with our innovative engineering and electronic control technologies that bring you and your machine closer together as a unit – to create a more satisfying riding experience than ever before.

So wherever you ride – on smooth or rough trails, soft powder or up at high altitudes – choose the perfect partner. Your Yamaha.

**998cc Genesis Turbo 4-stroke engine**

The most advanced and powerful engine ever to hit the snowmobile industry, this smooth, flexible 3-cylinder unit breathes easily at any altitude - in any conditions. Massive torque and pulling power are assured across the rev band, with instant throttle response and no 'turbo lag'. A genuine power revolution in the 'real' 180HP class.

Agile, responsive chassis - low weight with high strength

The tough Mountain chassis, engineered for the Sidewinder series, features aluminium construction with a load-bearing, triangulated design to help keep weight low and strength high. The result is razor-sharp agility and a superbly balanced ride, with the dynamics to complement a huge variety of riding styles.

**A comfortable riding position tuned to your style**

The warm comfort of the heated seat, the sturdy J-hook bars with mountain strap, the lightweight steering spindle - all combine to give you not only comfortable control over the dynamic, agile chassis, but as a result, great confidence in handling the machine. Easy counter-steering on steep sidehills comes naturally too.

Asymmetric front suspension and narrow ski stance

An outstanding characteristic of all our Sidewinder models is the unique suspension design and ski geometry. For the front of the B-TX LE 153 we've chosen FOX® QS3 HCR shocks, which deliver ultra-responsive handling - yet with the strength to handle the demands of this machine's natural deep snow and back country habitat.

**Dual Shock rear suspension for stability and control**

With FOX® QS3 centre and QS3 HC rear shocks, the B-TX offers an impressive range of easily adjustable pressure and tuning options. What's more, the special springless suspension developed for these models greatly reduces the amount (and weight) of built-up snow under the machine, giving you better stability and control.

High-performance Camoplast® Power Claw track

A stunning performer in extreme conditions, the Camoplast® Power Claw track, specially chosen for this Sidewinder, features 2.25" (57mm) lugs. The track is driven by extrovert drive sprockets which mesh precisely with holes in the track, acting like a gear mechanism to deliver outstanding levels of grip and propulsion.

<i>Engine</i>	<i>Sidewinder B-TX LE 153</i>
Type / Displacement	4 Stroke / 998cc
Cylinders	3-Cylinder
Cooling	liquid-cooled
Bore x stroke	80.0 mm x 66.2 mm
Carburation	Turbo boosted 41 mm Mikuni x 3, Fuel Injection, Liquid Heated
Intake design	2-valves
Ignition system	Digital T.C.I. w/T.P.S.
Exhaust	2-valves, Rear Exhaust
Clutch / transmission	YSRC, Variable Ratio, Electronic Shift Reverse, Magnesium Chaincase & Cover
Disc brake system	Radial Master Cylinder Hydraulic Brake / Light Weight Disc on Drive Shaft

<i>Suspension</i>	<i>Sidewinder B-TX LE 153</i>
Front suspension system	SRV-M New Spindle
Front shocks	FOX 1.5 ZERO QS3
Front travel	229 mm
Rear suspension system	Dual Shock SR 153 Springless
Rear shocks	FOX 1.5 ZERO QS3 / FOX 1.5 ZERO QS3
Rear Travel	394 mm

<i>Measures / Dimensions</i>	<i>Sidewinder B-TX LE 153</i>
Overall height	1,260 mm
Overall length	3,360 mm
Overall width	1,219 mm
Track W x L x H	15 inch x 153 inch x 2.25 inch, 381 mm x 3,886 mm x 57 mm
Track Type	Camoplast Power Claw 2,25"
Ski stance (ctr. to ctr.)	1,016 - 1,066 mm adjustable
Fuel tank capacity	33.6 L

<i>Features</i>	<i>Sidewinder B-TX LE 153</i>
Electric start	Standard
Reverse	Standard
Hand & thumb warmers	Standard
Headlight watts, type	LED
DC output	Standard

Snowmobiles are built to operate within their design limits. For durability, reliability, but most important of all, operator safety, under no circumstances should the recommended capacities identified in the owner's manual be exceeded. Consult your snowmobile dealer when selecting a snowmobile for your particular needs.

Always wear a helmet, eye protection and protective clothing. Always ride responsibly and within your limitations, respecting the environment as well as country and local laws. The riders depicted are professionals; don't attempt to emulate them. The specifications, measurements and appearance of Yamaha products will be varied from time to time without notice, and as shown here are illustrative only and are not a contractual description of products. Some models are shown with optional accessories.
