

Extreme exploration is the name of its game!

No need to stick to trails with the aggressive-looking - and performing - Sidewinder X-TX LE. Our exciting, turbo-powered, tackle-anything adventure machine demands you go a bit further - and faster!

The stylish, long-track Sidewinder X-TX LE (Limited Edition) features our turbo-powered, fuel-injected 998cc Genesis® 180 engine, created to deliver awesome power and torque at any altitude. The 2.25"/57mm Camoplast® Power Claw track, adjustable suspension and high-performance FOX® shocks package deliver incredible comfort and control.

You'll enjoy many other features too, like a heated seat, J-hook bars, sport windshield, reverse gear, electric start and hand/thumb warmers.

- ▶ Genesis® 180 engine - 4-stroke 3 cylinder 998cc
- ▶ Yamaha's unique turbo-power system
- ▶ Extreme colour scheme and striking LE graphics
- ▶ Massive low end torque for control in deep snow
- ▶ Extrovert drive sprockets for secure grip on track
- ▶ Yamaha Mountain skis for precise control
- ▶ Double wishbone front suspension - FOX QS3 HCR
- ▶ SR 141 springless rear suspension
- ▶ J-hook handlebar and riser for confident control
- ▶ Dual-switch grip control for hand & thumb warmers
- ▶ Convenient electric start and push-button reverse
- ▶ Dual digital gauges and sleek, low windshield

***Whenever, wherever
the snow falls, team
up with your Yamaha.***

Being out on the trails or powder is one of life's great feelings – creating emotional moments to last long in the memory. So enjoy our snowmobiles. Each one is designed and equipped to deliver supreme handling, performance, comfort, economy and reliability.

It's a winning combination you can depend on from your Yamaha – along with our innovative engineering and electronic control technologies that bring you and your machine closer together as a unit – to create a more satisfying riding experience than ever before.

So wherever you ride – on smooth or rough trails, soft powder or up at high altitudes – choose the perfect partner. Your Yamaha.

**998cc Genesis Turbo 4-stroke engine**

The most advanced and powerful engine ever to hit the snowmobile industry, this smooth, flexible 3-cylinder unit breathes easily at any altitude - in any conditions. Massive torque and pulling power are assured across the rev band, with instant throttle response and no 'turbo lag'. A genuine power revolution in the 'real' 180HP class.

Asymetric double wishbone front suspension

A special characteristic of this exciting machine is its unique front suspension geometry, with widely spaced lower and upper A-arms mounted asymmetrically to the chassis bulkhead. FOX® QS3 HCR shocks deliver ultra-responsive handling - yet are strong enough to take plenty of punishment on trails and tracks in the back country.

**Dual Shock SR 141 rear suspension**

The Sidewinder X-TX LE offers an impressive range of easily adjustable pressure and tuning options, thanks to its dual FOX® QS3/1.5 Zero QS3 shock set-up. What's more, the special springless suspension developed for these models has been designed to reduce the amount (and weight) of built-up snow, to give you ultimate stability and control.

High-performance Camoplast® Powerclaw track

A stunning performer in extreme conditions, the Camoplast® Powerclaw track, specially chosen for this new Sidewinder, features 2.25"/57mm lugs. Driven by extrovert drive sprockets meshing precisely with holes in the track, it acts like a gear mechanism, to deliver outstanding levels of grip and propulsion in all snow conditions.

**J-hook handlebar and tall riser**

A tall, lightweight aluminum riser sets the handlebar at the right height for maximum control in fresh powder. This pivot-adjustable riser allows you to choose the optimum angle for your own riding position. The straight J-hooked handlebar with mountain strap also makes control easier and gives precise feedback from the front suspension.

Deluxe instrument panel with dual digital displays

Multiple sensors ride on board with you, continuously monitoring engine data to provide essential rider information. In addition to speed, rpm, fuel, oil temperature and pressure, a wide range of trip-related data can be selected. Like a clock with hour-meter, 'Distance Travelled' information - and even an altimeter!

<i>Engine</i>	<i>Sidewinder X-TX LE 141</i>
Type / Displacement	4 Stroke / 998cc
Cylinders	3-Cylinder
Cooling	liquid-cooled
Bore x stroke	80.0 mm x 66.2 mm
Carburation	Turbo boosted 41 mm Mikuni x 3, Fuel Injection, Liquid Heated
Intake design	2-valves
Ignition system	Digital T.C.I. w/T.P.S.
Exhaust	2-valves, Rear Exhaust
Clutch / transmission	YSRC, Variable Ratio, Electronic Shift Reverse, Magnesium Chaincase & Cover
Disc brake system	Radial Master Cylinder Hydraulic Brake / Light Weight Disc on Drive Shaft

<i>Suspension</i>	<i>Sidewinder X-TX LE 141</i>
Front suspension system	SRV-M New Spindle
Front shocks	FOX 1.5 ZERO QS3
Front travel	229 mm
Rear suspension system	Dual Shock SR 141 Springless
Rear shocks	FOX 1.5 ZERO QS3 / FOX 1.5 ZERO QS3
Rear Travel	368 mm

<i>Measures / Dimensions</i>	<i>Sidewinder X-TX LE 141</i>
Overall height	1,180 mm
Overall length	3,327 mm
Overall width	1,219 mm
Track W x L x H	15 inch x 141 inch x 2..25 inch, 381 mm x 3,581 mm x 57 mm
Track Type	Camoplast Power Claw 2,25"
Ski stance (ctr. to ctr.)	1,016 - 1,066 mm adjustable
Fuel tank capacity	33.6 L

<i>Features</i>	<i>Sidewinder X-TX LE 141</i>
Electric start	Standard
Reverse	Standard
Hand & thumb warmers	Standard
Headlight watts, type	LED

Snowmobiles are built to operate within their design limits. For durability, reliability, but most important of all, operator safety, under no circumstances should the recommended capacities identified in the owner's manual be exceeded. Consult your snowmobile dealer when selecting a snowmobile for your particular needs.

Always wear a helmet, eye protection and protective clothing. Always ride responsibly and within your limitations, respecting the environment as well as country and local laws. The riders depicted are professionals: don't attempt to emulate them. The specifications, measurements and appearance of Yamaha products will be varied from time to time without notice, and as shown here are illustrative only and are not a contractual description of products. Some models are shown with optional accessories.
